Instructions:

1. Cut out the cover insert, on page 1, around the outer perimeter. Do not cut along the center.
2. Fold the cover insert in half, with the text on the outside.
3. Insert the cover insert in the CD case cover.
4. Cut out the tray insert, on page 2, around the outer perimeter.
5. The right-most long narrow title "tab", on the tray insert, is for CD case with a transparent tray. Remove this "tab" if the CD case has an opaque tray.
6. Fold the left and right long narrow title "tabs" to a 90 degree angle, away from the main tray cover portion. If the right-most "tab" is retained for a transparent tray, fold that "tab" 90 degrees again, away from the title "tab" next to it. The text should appear around the exterior of the folded cover, not the interior.
7. Remove the tray from the case.
8. Place the tray insert in the case.
9. Insert the tray, being careful that the title tabs are flat against the case.
10. Please appropriately discard this portion and the scrap bits of paper.

Mike: A Public School Story

This novel introduces the characters Mike Jackson and Psmith, who are featured in several of Wodehouse's later works. It shows how the two characters first met each other as teenagers at boarding school. As Psmith doesn't appear until about halfway through this book, it was later released as two separate books, Mike at Wrykyn and Mike and Psmith. There's lots of cricket, but you don't need to understand the game to enjoy the antics of these public school boys as they "rag" each other and the authorities.
